

DESCRIPTION

1. The [dip tea bag packing machine](#) is suitable for the non-returnable packaging of the inner and outer bag of small particulate materials such as: tea, herbal tea, health tea grass-root type and so on.
2. Inner and outer bag's film drawing is controlled by the stepper motor, stable bag length and accurate positioning.
3. The temperature controller is adjusted by PID to make the temperature control more accurate.
4. Overall machine movement is controlled by PLC, with human-machine interface display, ensure health of products.
5. Packing material□filter paper, thread, composite membrane and labels.

APPLICATION

[Dip tea bag packing machine](#) is suitable for processing black / green / oolong / white / dark / herbal tea, the following is the working time required for the above tea production.

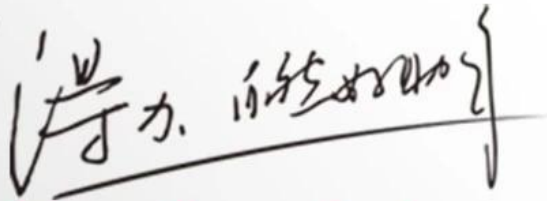

Type Of Tea	Working Time
Black Tea	/
Green Tea	/
White Tea	/
Oolong Tea	/
Herbal Tea	/

The above data is for reference only, and the specific processing time shall be determined according to the actual situation.

SPECIFICATION

[Inner and outer tea bag packing machine](#) specification list:

Model	DL-LSDP-XBW
Voltage	220V / 50HZ
Diamension	1750*740*1950mm
Power	1.6 kw
Inner Bag Length	40-100 mm
Inner Bag Width	45-75 mm
Outer Bag Length	80-120 mm
Outer Bag Width	75-95 mm
Packing Speed	30-40 bag/minutes
Weight Error	± 0.2g
Air pressure	≥ 0.4 m ³ /minute
Machine weight	430 kgs

The image shows a large, stainless steel industrial machine used for manufacturing tea bags. The machine is labeled "Assistant" on its upper section. It features a control panel on the right side with a digital display screen and several buttons. A green conveyor belt is visible at the bottom of the machine. A circular inset on the left side of the image provides a close-up view of a tea bag being formed, showing the tea leaves inside and the stitching. The machine is designed for high-volume production of tea bags.

Inner Bag W: 45-80mm

L:175cm W:74cm H:195cm

If you have special need, it can be customized according to the needs of customers.
